## Your Application for Housing

Greenwich Housing Society was founded to provide housing for older people (60 years of age or above), living in the borough of Greenwich, or with a connection with the borough. The attached questionnaire contains questions to be answered by persons applying to our waiting list with the Society. Information is required about all persons covered by your application for housing. You will need to answer all the questions. When you have completed the form, you should return it to the above email address or via post to our registered address (above).

The information you give in answering the questions will be used by the officers of Greenwich Housing Society to assess your application. The Society will not necessarily offer you a tenancy and receiving your application does not bind the Society in any way.

If your application passes the first stage of assessment, your name will be placed on the waiting list. When a possible vacancy is about to arise, an Officer of the Society will contact you to arrange an interview. At this meeting, you will be given more information and you will be asked to provide additional information in support of your application. At the next stage of the assessment, the Society will decide whether to offer you a tenancy and you will be invited to view the property. At each stage you will be informed of the Society's decision as quickly as possible.

If you are offered and accept a tenancy, the information you have provided on this form will be kept with other information on a tenancy file held by the Greenwich Housing Society. Tenancy files are handled according to the provisions of the Data Protection Acts: only officers of Greenwich Housing Society have access to them and they are kept secure and confidential at all times. If your application is not successful, information about you will not be released to any person or organisation other than the officers of the Greenwich Housing Society.
